Göksu Demircan

Ankara, 06520, Türkiye, goksudemircann@gmail.com, +90 531 741 4154

Birth of Day: 02.01.2000

Work Experience

Aug 2025 – Sept 2025 Software System Developer Intern, TOKEN Financial Technologies   ODTU MEMS

During my internship at Token Financial Technologies, I developed web test automations using Selenium and contributed to improving existing testing processes. I also took an active role in bug analysis and test scenario design alongside the software development team.

Feb 2025 – June 2025 Front-End Intern, Ucanble Technology   Ankara Ticaret Merkezi Çukurambar/Ankara

As a front-end intern at Ucanble Tech, I develop user-friendly and responsive interfaces using React.js, build scalable UI components following a component-based architecture, and contribute to enhancing the startup's product experience through performance optimization and modern web technologies.

Feb 2025 - Feb 2025   Intern 101, QNB   Remote

Gained experience in digital banking, data analysis, and FinTech, explored financial reporting, enhanced customer experience understanding, and participated in training modules and projects.

Jan 2025 - Feb 2025   Business Analyst Internship, SİNTEK   Mutlukent, 1978. St. No:18, 06800 Cankaya/Ankara

Analyzed ERP systems, optimized processes, prepared BI reports, utilized SQL for data analysis, automated workflows, enhanced cross-departmental integration, and supported testing and improvements.

Sept 2024 - Oct 2024   Project Management Internship, SCA Social   Ercument Batanay St. No:14 A2 Block Floor:33 No:284

Project Portfolio Management

Aug 2024 - Sept 2024   R&D Internship, TURKAK   Mustafa Kemal, 2125. St. No:1, 06530 Cankaya/Ankara

Researched blockchain integration for accreditation, optimized workflows, ensured ISO compliance, analyzed data, and applied Agile principles for process improvement.
